The Rawcliffe Federation of Schools Newsletter

Dates for your diaries...

Good afternoon! The term is well underway and sweet melodies of harvest songs are floating down the corridors. We have started the first of our STEM sessions this year as part of our developing partnership with Drax. There have also been sporting competitions and our work with the Tigers Trust continues to progress. Thankyou to those who were able to attend our maths and phonics sessions this week-we hope you found them useful. I have had some informative meetings this week and last week with the School Nursing team and other schools and community link workers. They are keen for me to reach out to you with information which you may find useful. Hopefully, you will be able to meet with these professionals soon or at least be able to find support if you need it. Please see below for the information I've been given.

Assembly-Be Kind...Be Inspirational...Be You...
 Our assembly theme this week has been focusing on the importance of being part of a community and we have awarded badges to our leaders across the federation.
