

Dove of Peace

You will be creating a dove which shows different views of peace across the religions.

You will need:

A4 white card (1 sheet),
A5 white paper (1 sheet),
scissors,
glue,
gold pen.

Instructions:

1. Cut out the template of the dove and draw on the wings, the eye and the beak with gold pen.
2. Make one side of your dove 'inner peace' and the other side 'community cohesion'. Decorate the inner peace side with the religious symbols of the religions that focus on inner peace, and decorate the other side with the religious symbols of the religions that focus of community cohesion for peace.
3. Next, take a piece of paper and lie it flat in front of you. Fold over a piece about $\frac{1}{2}$ inch wide. Turn the paper over and fold again. Keep going until all the paper is folded.
4. Cut a slit on the dotted line in the centre of the dove and slide the folded paper half way through. Fold the top edges of the folded paper up to join one another and glue together.
5. Your dove can be hung if you punch a hole in the top and tie through a length of string.
