

All about Victorian life,

We are going to be looking at the victorian era this week.

Questions,

When was the Victorian period and why was it called the 'Victorian' period?

How are rich and poor families diets different?

Why were boots called 'hobnail boots' ?

What does a rich family wear?

What would a poor family wear?

Explain the differences between rich and poor families living in Victorian England.

How does life today compare to Victorian life?

Victorian work,

Did everyone go to school during the Victorian era?
Why?

Thankfully today children can't do the same work as they were forced to in Victorian times.

Imagining you are a poor Victorian child, pick one of the jobs and write me a diary entry explaining how you feel during the day.

Does your job start early? Is it safe? Do you hurt yourself? How does it make you feel.

Three people tried to help children during this period. Pick one of them and explain how they were trying to help.

Victorian school,

What was a victorian class room called?

How did the victorian classroom look different?

Explain one type of victorian punishment.

How would you feel if you was at a victorian school, consider, class size, school room layout, lesson times and punishments.

Industrial Revolution,

Which started first, the industrial revolution or the Victorian period?

Think about before the industrial revolution and after it. I would like you to explain if you think the industrial revolution was good or bad for the country, Explaining why, consider;

- transport, (made it quick)
- Conditions to live in, (rich had nice houses, poor had bad houses)
- Working life,
- shopping,
- Poverty

Extension,

Imagine you are an inventor as the industrial revolution is just starting.

Horses were the only way to travel about.

Design me a new revolutionary method of transport which could have been introduced to make transport easier.
