

Rawcliffe Bridge Primary School Pupil Premium Overview

Supporting the Whole Child

Enrichment & Engagement

Subsidised School Visits & Trips

Children to start developing a wider knowledge of cultural diversity in modern Britain

Raised aspirations, motivation and engagement in learning so that activities have a purpose and life skills are taught.

Kingswood Residential

Providing opportunities for pupils to learn outside of the classroom, applying and learning new skills in different contexts.

With a wider range of activities children will develop confidence and self-esteem - areas which pupil voice surveys highlight as an area to improve this should then hopefully link in with children being more confident to work independently or having a go when they come across new challenges.

Academic

Teaching Resources

New Books with raised level of difficulty: Improved reading pace and comprehension leading to greater response time in lessons and tests. Increased pupil self-confidence

Children developing a love of reading

£219

My Maths

Children are accessing a wide range of activities that are enriching the curriculum.

Improvement in the speed and resilience with which children approach mathematical problem solving

Learning tasks are personalised to the needs of individual pupils

£185

Teaching Assistant

Improve the percentage of pupil premium children attaining age related expectations in maths and reading by summer 2018

Across school the percentage of pupil premium children in better than expected attainment bands are in line with, or better than, non-pupil premium.

At Y6 the gap between high attaining disadvantaged pupils in school and nationally diminishes.

Children are engaged in learning.

Feedback is quick and effective.

Personalised interventions are quick and effective

£11,000

Staff CPD

CPD impacts on teachers delivering quality first teaching in order to improve pupil progress and outcomes.

As above
