

## Rawcliffe Bridge Primary School

Autumn 2 2018 Curriculum Statement

Foundation

Subject/Topic	Content
<p><b>English</b></p>	<p>In English this half term we have been concentrating on thinking about all the sounds in a word as we write them. We had an invasion of our classroom by the mean evil Sproutzilla. We used this experience to help us to write a story about what has happened.</p> <p>The children have really enjoyed physical phonics sessions consolidating their weeks phonics teaching with a fun active phonics lesson taught to them by Mrs Webber.</p> <p>We have been reading books as a whole group and discussing the story making predications of what we think will happen next and making inferences about a story from what we read or see.</p> <p>Finally we have started to practice for our Nativity working on our acting and speech in front of others.</p>
<p><b>Maths</b></p>	<p>We have been looking at counting amounts to 10 and matching numbers to amounts. Some of the children have been practicing their number bonds to 10 and they have also been practicing counting in 2's.</p>
<p><b>Science</b></p>	<p>In Science we have been conducting an experiment looking at which Christmas biscuit is the strongest.</p>
<p><b>The Arts</b></p>	<p>This half term we have focused on music and developing our understanding of how to play different musical instruments and the sounds that they make. We have also been focusing on playing music to a beat and not just making noise.</p>
<p><b>Humanities</b></p>	<p>During parliament week we have been looking at votes for women and the work of Emily Wilding Davison, The children created votes for women posters and we talked about the significance of the event in the past. All the children could talk about why they were making the posters and what their purpose was.</p>

<p><b>Physical Education</b></p>	<p>In PE we have been learning how to control a ball through the use of accurate throwing, catching and rolling. We have been learning this through a variety of different activities ensuring different levels of challenge by making the targets closer or further away and using different items to throw, such as scarves, coits and balls.</p>
<p><b>RE/PSHCE</b></p>	<p>This term in RE we have been looking at St Andrew and the significance of St Andrews Day and why it is important to the people of Scotland. We have also started to learn about the Christmas story linking to our nativity and learning about why we have Christmas.</p>
<p><b>French</b></p>	<p>In French we have started to learn how to say basic colours in French. We have been using this to create a picture of a poppy.</p>
<p><b>Whole School/Federation Events</b></p>	<p>The children have been involved in the remembrance service this half term making it our first trip to the Church this school year. We have also spent the day at Rawcliffe Primary School joining in with lots of different fun activities for Children in Need.</p> <p>Some of the children also visited Rawcliffe Primary school for a bullying workshop with their parents where they learned about “what bullying is” through the use of various activities.</p>
